WINEMAKER NOTES

This wine was made to delight the rosé drinkers who have expressed an interest in a sweeter version of what they already love. This Rosé exhibits the richness and wonderful fresh fruit aromas of our dry Cabernet Sauvignon Rosé, as well as the fragrant flowers typical of Muscat grapes. The extra sweetness allows us to balance the natural bitterness that Muscat often displays.

TASTING NOTES

Welcoming aromatics of wild raspberry and dried strawberry mingle with hints of watermelon candy. The smooth mouthfeel offers just the right balance of acidity to showcase the inviting flavors. A delicious blend of ripe red berries, melon, lime zest and tropical fruit fills the palate with a rich, creamy essence that lingers into the finish.

This easy-sipping, versatile Rosé is ideal to enjoy with appetizers, a picnic or snuggled by the fire with a good book. It also pairs perfectly with Prosciutto wrapped chicken breast stuffed with herbed goat cheese, or asparagus shrimp linguine.
