**SILVER MEDAL** 2022 Experience Rosé

### WINEMAKER NOTES

This wine was made to delight the rosé drinkers who have expressed an interest in a sweeter, softer style of rosé. It exhibits the richness and wonderful fresh fruit aromas and flavors of our dry Rosé of Cabernet Sauvignon, along with a little extra sweetness that is beautifully balanced by the crisp acidity. We know you'll enjoy the refreshing, fruit-forward flavors and the round, slightly sweet finish. It is the perfect complement to a picnic or to serve as an early evening aperitif.

### TASTING NOTES

Savor aromas of sweet juicy cherry and watermelon layered with sliced Asian pear and a trace of creaminess. The round, full-flavored entry reveals perfectly ripened Rainier cherry, Honeydew melon and poached pear with a hint of cinnamon. Bright acidity provides the perfect balance to the off-dry flavors, creating a creamy plush texture and a rich, lingering finish.

A wonderful wine to sip during warm afternoon gatherings with friends, or to pair with Korean-style barbecue short ribs or an ambrosia fruit salad.
